

Request for Proposals for Commissioning Agent – Addendum No. 1

Original Issue Date: 8/21/2020

Proposal Questions

Question #1 Are there design documents such as SD narrative or others that can be provided for review

Response Schematic Design has not yet been completed

Question #2 Are renewable energy systems planned to be part of the design for the school?

Response Renewable Energy systems are not part of the base scope, but are planned for future expansion

Question #3 Is a fire pump part of the design for the school? If so, electric or diesel?

Response Fire pump will likely be included, but fuel source has not yet been determined

Question #4 What stage of design is the project currently in?

Response The project is currently in Schematic Design

Question #5 What is the construction budget for the project?

Response \$45,818,300

Question #6 Given the current pandemic environment, are hard copies of the proposals desired or would digital submissions be acceptable?

Response Hard copies are still required with digital copies included on a thumb drive
