Greetings Timothy Edwards Middle School Students and Families-

Though I hate interrupting summer fun with school communication, I am reaching out today to share important information about starting to get ready for the school year. Linked in this letter are grade level communications that have information about team teachers and school supplies. You can expect more information about the start of the school year in August. All students should also be working on their summer reading- the letter with information about that can be found [here](#). Please feel free to reach out to myself or other building administrators with any questions you may have this summer.

Enjoy the rest of your summer,

Grade Level Communication

PowerSchool and Transportation Form

The 2023-2024 Transportation Information Form (TIF) is still open for guardians to complete. A TIF is required for each student enrolled in South Windsor Public Schools, whether they take a bus or not, so we will know with certainty how every child is getting to and from school. This also helps tremendously with the efficiency of our bus routes, which are currently being created for the 2023-2024 school year.

The TIF is completed electronically in PowerSchool through the Parent Portal under forms. ***Please complete the 2023-2024 Transportation Information Form*** as soon as possible.
